

MSP Broadcast Message: Start and End Time Required – Addendum

Further to our broadcast email a few days ago, additional fee items listed below must have start and end times must be included on the claim submission (billing) and documented in the patient chart for dates of service commencing January 1, 2018

Please note that these are updated rules for fee item changes. This list does not include fee items that have required time element rules in effect prior to January 1, 2018
