BROADCAST TITLE (50 char): BCP payments delayed for Osteopathic physicians

BROADCAST MESSAGE (UP TO 5 PAGES, 12 LINES PER PAGE, 76 CHARACTERS PER LINE):

Business Cost Premium expansion as outlined in the 2022 Physician Master Agreement has been implemented April 1, 2025.

BCP now includes a broader range of eligible MSP fees. As it is only applicable for physicians, a check for MD association has been implemented. Osteopathic physicians are the only non-MD practitioners with access to fees in the MSC Payment Schedule. Unfortunately, this programming has caused osteopathic physicians to be excluded from receiving BCP payments for eligible fees.

Any missed BCP payments will be made on a retroactive basis once the programming issue has been resolved.
